Greek Gallery Dio Horia Returns to Chicago Expo With a Two-Person Presentation

3 weeks ago

Art by Pablo Benzo & Stelios Karamanolis will be presented at the booth of Dio Horia.

Dio Horia Gallery will make a comeback to EXPO CHICAGO 2023, taking place on Navy Pier's Festival Hall between **April 13th till April 16th, 2023**. The gallery, dedicated to representing artists from smaller, peripheral countries, has selected artists from **Chile and Greece** for its presentation.

Pablo Benzo moves past realism to create figurative geometrical paintings accentuated by color. The Berlin-based artist will present his intimate oil on linen artworks providing a singular glimpse into his artistic practice, as well as a self-portrait, based upon his *Self-portrait with imaginary pileas*. **Stelios Karamanolis** makes abstract canvases consistent with his poetic works. Abundant with symbolism, his artworks feature bright acrylic colors and emphasize colored pencil lines, which fragment time and space.
