[Todd James](#) recently launched his first solo exhibition at Dio Horia Gallery on Mykonos, Greece. Dubbed “[The Gods Are Smiling on Us](#),” the presentation spotlights new artworks by the influential NYC-based artist. A total of nine paintings and twelve drawings are on display at the gallery's three-story building. These pieces draw inspiration from the summer atmosphere of the Greek island such as bikini-clad female subjects relaxing at the seaside to vivid interior scenes of villas.
